NOTICE

Significant changes to the *Rules of Civil Procedure* will come into effect January 1, 2010.

These changes will affect the time for service and filing of motion/application materials. The time for confirming these dates will also change.

Please note for motions/applications scheduled to proceed the **first week of January** (the week of January 4/2010), the court will accept for **filing all motion/application materials 2 days prior to the scheduled event**. Confirmation will be accepted by 2:00 p.m. two days prior to the scheduled event.

For motions/applications scheduled to **proceed January 11, 2010 onwards**, confirmation per rules 37.10.1(1)(b) and 38.09.1(1)(b) will now be no later than 2:00 p.m. 3 days (not 2 days) prior to the event. The court will strictly enforce this new timeline. **The filing of all motion/application materials will now also be accepted no later than 3 days (not 2 days) prior to the event.**
